10 Hour OSHA Outreach Training Construction \$120 Per Student - [Click here to Register](#)

| Class Dates | Day | Time | Description |
|-------------------------|---------------------|--------------------|---|
| June 24 - 25, 2010 | Thursday - Friday | 7:00 AM - 12:30 PM | OSHA training is becoming more and more prevalent in the construction industry. In many job bids the company will be disqualified from bidding the job if they have no OSHA training, or if their EMR is penalty rated. OSHA Outreach training plays an important role in the development of a strong safety culture because it eliminates the "I didn't know" factor, and increases awareness which is the key to preventing accidents and injuries. |
